This webinar will review the issues and challenges facing both documented and undocumented immigrant survivors who seek to obtain and maintain safe, decent, and affordable housing. Participants will gain knowledge about accessing federally subsidized housing programs – specifically, the legal requirements that could help or hinder immigrant survivor housing options. The webinar will enable advocates and public housing authorities to better assist immigrant survivors with their housing needs and to foster their long-term safety and independence.

**Issues to be covered include:**

- ✓ Overview of the unique challenges facing immigrant survivors;
- ✓ Brief overview of classifications of immigrant survivors, including T Visa holders, U Visa holders, and VAWA self-petitioners;
- ✓ Restrictions on access to federally subsidized housing for undocumented immigrants;
- ✓ Documentation & verification for admission to federally subsidized housing;
- ✓ Immigrant survivor access to emergency shelters & transitional housing; and
- ✓ Relevance of the Fair Housing Act to immigrant survivors.

Application for 1.5 CSWMFT CEUs pending.
