

ACTION OHIO Coalition For Battered Women
Presents

Screening for Human Trafficking + Health Care & Social Services Responses

Free Webinar Presentation
Thursday, May 26, 2016
From 1-2 PM EST

Victims of human trafficking often experience health care needs.

Often they must seek treatment.

Are you able to recognize signs of human trafficking?

Are you prepared to respond with treatment as well as safety planning?

Featuring

Ruth Downing, MNS, RN, CNP, SANE-A, Forensic Nurse Consultant & National Trainer

Ruth is a family nurse practitioner in an Urgent Care setting. She has provided education & consulting services for health care, law enforcement and legal professionals nationally & for national leaders in Peru. Ruth is a member of Central Ohio Rescue and Restore Coalition and a founding member of the Delaware County Against Human Trafficking Coalition

The webinar will focus on
Physical & Psychological Health Consequences Resulting from Human Trafficking

This webinar is designed for victim service providers, health care and social services professionals, and anyone else who responds to victims of trauma.
