

## Join Us to Commemorate the 35th Anniversary of Roe v. Wade

Since *Roe v. Wade* legalized abortion in the United States, we have faced a constant battle against efforts to roll back freedom of choice. Throughout it all, the unsung heroes of the pro-choice movement – physicians - risk their lives to provide access to safe, reproductive care for women.

Please join us as [Susan Wicklund](#), MD, author and pro-choice pioneer, shares her harrowing and heart-wrenching experiences as an abortion provider. Recently featured in the *New York*

*Times* and on *60 Minutes*, Wicklund chronicles her struggles to deliver critical medical services despite angry protestors and threats to her life in her new book, "This Common Secret: My Journey as an Abortion Doctor."
